AI ARTIST HUB™ PROTOCOL

THE INDUSTRY STANDARD FOR AI MUSIC IDENTITY, PROVENANCE & TRUST

One Standard. Every Creator. Every Platform. Every Song.

Hub Verified™
The Trust Layer for AI Music

1 AI CREATION LAYER

Create. Generate. Innovate.

AI MUSIC TOOLS & PLATFORMS

SUNO · udio (beta) · SUNO Studio · + MORE

AI-GENERATED · AI-ASSISTED

AI CREATION OUTPUT

AI-Generated or AI-Assisted Recordings

2 AI ARTIST HUB™ TRUST LAYER

Identity. Provenance. Ownership. Transparency.

THE 5 PROTOCOL PILLARS

Artist Verification

Verifies the artist identity and ownership of the AI artist profile.

Creator Verification

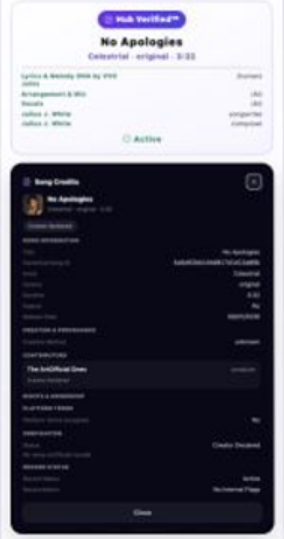

Verifies the creator identity and control of the platform account.

Recording DNA™

Captures how the music was created with full transparency.

Song Credits

Transparent credits for all contributors, roles, and contributions.

Ownership & Rights

Establishes ownership, rights, and commercial permissions.

Identity Layer · Provenance Layer · Rights Layer · Commercial Layer · Trust Layer

AI ARTIST HUB™ STANDARDIZED DATA STRUCTURE

Universal IDs · Metadata · Provenance · Rights Registry · Verification Standard · Public Verifiability · Audit Records

DIRECT CREATOR PATHWAY (BYPASS OPTION)

Creators can go direct to fans.

Direct Launch · Direct Store · Memberships · Licensing · Sync · NFT / Digital Collectibles

3 INDUSTRY & COMMERCE LAYER

Distribute. License. Monetize.

Spotify · Apple Music · YouTube · amazon music · TikTok · DEEZER · TIDAL · SoundCloud

+ more platforms and the AI Artist Hub™ ecosystem for verified identity & rights.

INDUSTRY ECOSYSTEM

Record Labels · Publishers · PROs · Distributors · Sync Licensing · Media & Press · Brands & Advertisers · Tools & Plugins

FANS & PUBLIC VERIFICATION

Scan QR Code · View Verified Records · Support Verified Artists · Share & Promote

TWO PATHS. ONE STANDARD.

Work with the industry. Or bypass the industry.
Your rights. Your choice.

OUR MISSION

To build the global trust infrastructure for AI music — where every recording has a verifiable identity, provenance, contributions, and ownership — empowering creators and enabling the entire industry.

THE FUTURE IS VERIFIABLE.
THE FUTURE IS YOURS.
THE FUTURE IS NOW.
